

God Made My Hands

Lesson 6

Scripture: Genesis 1:27; Psalm 139:13-16

Focus: ♥ God made my hands.

Bible Words: “God made me” (based on Genesis 1:27).

Heart to Heart Teacher Devotion

Think of what your hands help you do throughout a day. They may help feed you, cook meals, do laundry, operate a computer, drive a car, care for a baby, make a bed, write a letter, make a phone call, and lots more. The list goes on and on, doesn't it?

The next time you eat, thank God for the hands He made so that you could cook and then eat the food you've prepared. The next time you drive a car, thank God for the hands He made so that you could drive to work or church or a friend's home. Take a day and try to thank God for everything your hands can do. The list goes on and on. Fold your hands in thanks.

Make sure you sing for each of the children who build with blocks.

Before class, make some modeling dough.

Set out some dough and show the children how to use their hands to poke and press the dough. SAY: **I'm glad God made our hands so we can feel things. Doesn't the dough feel good? ♥ God made your hands.**

Older children may enjoy using child-size rolling pins or cookie cutters with the dough. Tell children not to eat the dough, even though the homemade dough will not harm them.

Then ask a child in turn to put a hand on a sheet of paper so that you can trace around it. You may have to gently hold the hands of younger children in place. Then let the children color their hand pictures. For a child who doesn't want her hand traced, simply draw a hand and let the child color it. SAY: **♥ God made your hands. Look how big your hands are.** When children finish coloring, give them Bible Words stickers to add to their pictures. Encourage verbal children to say the Bible Words as they press on their stickers.
